

How to be eligible for 25 % discount?

The **PREFERRED CUSTOMER PROGRAM**, is a loyalty program for members and consumers who are looking for an easy way to buy NHT Global products and benefit from a considerable discount based on the fact they use our products on a regular basis.

Thanks to the Preferred Customer Program, customers have access to their NHT office and they **can buy** NHT Global **products with a 25% discount on the wholesale price**. Preferred Customers maintain their status and special discount purchasing 300 BV in a year.

The new preferred customer needs to accept the Preferred Customer agreement and Privacy Policy and choose the products he/she prefers.

There are no initial or renewal fees.

Preferred Customers can become distributors later on if interested in the business. If so contact: milena.hartman@gmail.com in English, Slovene, Serbian or Croatian.
